

POSITION OPENING

A nationally recognized telecommunications provider offers an exciting opportunity to become part of its team. Northland Cable Television is an organization specializing in providing a variety of quality telecommunication services that meet the needs of residential and business customers located in our communities. We are seeking a highly motivated individual to fill the position of:

Accounting Manager

The candidate is responsible for, but not limited to: managing the administrative, billing and reporting functions, accounts payable payments, control and transfer of cash, managing past due accounts including collections, and assist in managing EEOC files. This position works closely with corporate and local management.

The successful candidate will possess the ability to work independently, has strong customer service and communications skills, is detail oriented and has a solid working knowledge of Microsoft Office. A Bachelor's degree in Business Administration or the recognized equivalent is required and a minimum of four years accounting experience.

To join the Northland team, please send your resume to:
